

Paint A Better Tomorrow

**Public Art Auction to Benefit Local Nonprofits and
Have Your Art Displayed**

Participate in the “Paint a Better Tomorrow” fundraising event on March 21, 2010 to support Breathe California, a local nonprofit working to fight lung disease in all its forms. This event is open to anyone who has a passion in art, amateur artists, and professional artists.

“Paint a Better Tomorrow” artwork will be displayed to the public and sold/auctioned off to raise funds for nonprofits to continue providing for our community. The event will be held at the Crowne Plaza Hotel in Foster City.

The artwork theme is **charity** and **our economy**. The tax-deductible \$35 entry fee goes to the nonprofit of the artist’s choice and the deadline for the painting and donation submission forms is March 10.

The event is presented by Invisible Hand of the Philanthropist, a movement dedicated to promoting awareness for Bay Area nonprofits.

For more information and to print the registration form, please visit Breathe California www.lungsrus.org.
